**DETAILED SUMMARY STATEMENT:**

In 2015, the Everett Police Department and other local agencies entered into the Interlocal Government Agreement Regarding In-Service Training Sessions in an effort to reduce the financial and personnel costs associated with conducting required annual training. The participating agencies form the Snohomish County Regional Training Group, with the Everett Police Department serving as the coordinator and financial custodian for the group. This Amendment No. 1 adds the Stillaguamish Tribe as a party to the agreement effective as of the date of final signature. All terms and conditions under the original interlocal agreement remain in effect.

**RECOMMENDATION (Exact action requested of Council):**

Authorize the Mayor to sign Amendment No. 1 to the Interlocal Government Agreement regarding In-Service Training Sessions to add the Stillaguamish Tribe as a party to the Agreement at no cost to the City.
